- The Committee members select homes they deem to be well maintained and aesthetically pleasing to the community.
- Homes need a visible house number.
- The city is divided into five sections.
- Each Committee member chooses four homes from their assigned section and a business.
- The selections are then compiled and voted on by the entire committee picking two of the four homes in each section, and their choice for business.

- Winners will have a temporary sign placed on their lawn for approximately one month.
- Two winners will be chosen from each section, with the exception of a tie.
