December 14, 2015

The Honorable Mayor and City Council  
Bellbrook, Ohio

CITY OF BELLBROOK  
15 East Franklin Street  
Bellbrook, OH 45305

T (937) 848-4666  
F (937) 848-5190

[CITYOFBELLBROOK.ORG](http://CITYOFBELLBROOK.ORG)

Dear Mayor Baird and Members of City Council:

I am pleased to present the 2016 Annual Budget and the 2016 – 2020 Capital Improvement Program for your review and consideration. The budget, as presented, provides sufficient resources to continue the excellent services expected by City residents.

The property tax continues to be the primary funding source for the general operations of the City (police, fire, and administration) and capital improvements. The property tax has proven to be a stable revenue source for the City. In 2014 the Greene County Auditor performed its sexennial reappraisal and property values for the City dropped less than one percent. Property values are more than five percent less than at their peak in 2010. The next triennial revaluation will occur in 2017.

Historically, the City relied on revenue from the State of Ohio to help fund its operations. Unfortunately, this revenue has significantly decreased over the last several years. Revenue from the Local Government Fund has decreased from the \$208,000 received in 2008 to the \$87,000 received in 2015. The Estate Tax was eliminated by the State of Ohio. From 2007 until 2013, the City received an average of \$110,000 per year from the Estate Tax. Certain other State generated revenue such as gasoline taxes and motor vehicle registration fees have remained a stable source of revenue for the City.

Operating costs continue to increase. However, several changes have been made to the operations of the City to mitigate cost increases. While increasing costs are not unexpected, the City will continue to make efforts to control costs when possible. The City continues to balance costs with the service expectations of the residents.

For the fifth consecutive year, the City is anticipating no increase to the water rates. Revenue in the Water Fund has continued to cover operating, debt and capital expenses. Several new residential developments that are on the City's water system will allow this trend to continue. Rates charged for waste collection will also remain unchanged for 2016. By controlling water and waste collection rates, the City has saved residents approximately \$76 per year.

The City continues to have a steady and conservative capital improvement program. In 2016 over \$980,000 of City funds is budgeted for capital improvements. This investment of local funding is leveraged by the usage of grants whenever possible. For 2016, over \$296000 of grant funding will be used to supplement the capital improvement program.

The 2016 budget includes funding for the first year (2016) of the Five-Year Capital Improvement Program. The projects in years two through five (2017-2020) are subject to annual reevaluation and reprioritization by staff and Council. These future years serve as a guideline for future priorities.

Major capital projects included for 2016 include the annual street program, the Plantation Trail culvert replacement project, the repainting of the interior and exterior of the Upper Bellbrook water tower and vehicles and equipment for the various departments.

At the beginning of 2016, it is estimated that the City will have an unencumbered fund balance of approximately \$4.76 million. By the end of 2016, this unencumbered balance is expected to be \$4.24 million. In future years, this balance is expected to decrease significantly as the impact of the State budget cuts and the continued increase of operating costs is fully realized.

Once again, it is my pleasure to present the 2016 Annual Budget and the 2016-2020 Capital Improvement Program to you. As presented, this budget meets the City's mission to "provide effective, courteous and fiscally responsible municipal services."

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Schlagheck".

Mark Schlagheck  
City Manager

The Motor Vehicle Fund receives revenues from the City levied \$10 license fee and the County levied \$5 license fee.

The revenues generated can only be spent on "Permissive Tax" streets as designated by the Greene County Engineer.

"Permissive Tax" streets in Bellbrook are:

This fund is used as a revolving fund for contractors or developers who are doing work in the public right-of-way and are required to deposit money for inspection of or construction of public improvements. Once the improvements are done the deposits are returned. If the work is not done, the deposits are used to complete the work.

Notes:

Only the first year (2016) of this Capital Improvement Program is funded. The remaining years are subject to the availability of funding.

## Capital Improvement Program

## Infrastructure & Facilities

2016 - 2020

**Project Name:** Annual Street Repair and Resurfacing

**Description:** The annual street repair and resurfacing project includes the maintenance and repair of public streets and sidewalks. Streets are evaluated by the Service Department on an annual basis.

**Funding Source:** Capital Improvement Fund

| Budgeted Projects    | 2016        | 2017          | 2018       | 2019       | 2020       | Total      |

## **Capital Improvement Program**

## **Infrastructure & Facilities**

2016 - 2020

**Project Name:** **Wilmington-Dayton Road**

**Funding Source:** Capital Improvement Fund

## **Future Widening of Wilmington-Dayton Road:**

Wilmington Pike south from Bellemeade Drive to Centerville Station Road will be widened from a two lane profile to at least a three lane profile. Significant grant funding will be needed before this project is undertaken.

Approximate Cost \$ 3,000,000

**Project Name:** State Route 725/Franklin Street

**Description:** West Section - East of Vemco Drive (mile marker 1.72) to west of Lakeman Drive (mile marker 0.52).

-This section (1.20 miles) was resurfaced in 2009. The project included pavement planing, asphalt resurfacing and striping. The project was administered by ODOT with a total project cost of \$456,700. The City's share of the project cost was \$143,588.

East Section - Washington Mill Road to East of Vemco Drive.

-This section was resurfaced in 2003.

**Funding Source:** Capital Improvement Fund

| City Funding          | \$ -  | \$ -  | \$ -  | \$ 60,000  | \$ -  | \$ 60,000  |

**Unfunded Project:**

The construction of a pedestrian bridge across the Little Sugar Creek at the intersection of State Route 725/Franklin Street and Little Sugarcreek Road is planned for the future if a funding source becomes available. The estimated cost for this pedestrian bridge is between \$400,000 and \$750,000, depending on design.

**Project Name:** Water Towers and Standpipes

**Description:** Capital maintenance of the City's existing water storage facilities.

**Funding Source:** Water Fund
