We were behind a lady in a white car. She was slow going through the light at Little Sugarcreek and Franklin turning East. The car crossed over the white line on the R and then back in the lane, swerved back towards the R white line (a car was parked there) so we honked and she sped up. The light was Red and there was a car stopped at the light, then her, then us. The 1st car lady got out and tell the second car lady that she hit her car. we motioned for the first car lady to come back and we told her she should call the police.
