Bicentennial Celebration to End with Fireworks

The Bellbrook community has been celebrating our bicentennial over the past few months. The Bicentennial Committee has organized a variety of community events and will be concluding the Bicentennial Celebration with fireworks. The fireworks will take place in Sackett-Wright Park after the Lions Festival at 10 pm on August 20. If you have not joined us for our other events, please plan on attending the fireworks as we celebrate our first 200 years.

Looking Back on the Celebration

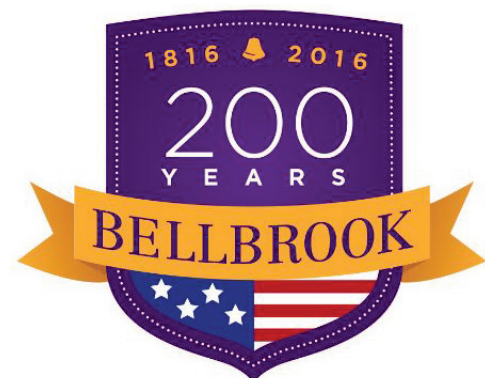

The Bicentennial Committee planned a series of events beginning with the Sugar Maple Festival and ending with the Lions Club Festival this month. The theme of this year's Sugar Maple Festival was "Bellbrook's Bicentennial." The festival emphasized the bicentennial through its many activities. In May, the Chamber of Commerce held the annual Garage Sales and included a community market in Bellbrook Plaza downtown. The Bellbrook Sugarcreek Park District sponsored a community picnic in June at Sackett-Wright Park, which included food trucks and a variety of activities dating back to the 1860s. The centerpiece of the picnic was an authentic 1860s baseball game featuring the Dayton Clodbusters and a local team of community members. In July, the Bellbrook Ministerial Association hosted a Community Concert and an Ice Cream Social at Bellbrook Middle School. The Bellbrook Sugarcreek Historical Society and the Bellbrook Historical Museum also held an educational series on the history and events that have shaped our community.

More information on the celebration can be found at www.bellbrook200.com.

Contribute to the Bicentennial

It is not too late to donate to the Bicentennial Celebration. The Bicentennial Committee is still seeking donations. The committee is operating as the Bellbrook/Sugarcreek Patriotic Celebration Foundation with 501(c)(3) status through Greene Giving. By creating a foundation in affiliation with Greene Giving, individuals and businesses can contribute to the celebration as a tax-deductible donation. To donate, go to their website at www.bellbrook200.com or call Greene Giving at (937) 458-2064.

Lions Club Festival: August 18 - 20

Come join the Bellbrook community as it celebrates the 70th Bellbrook Lions Club Festival in downtown Bellbrook on August 18-20. The theme of this year's festival is "Bellbrook's Bicentennial." As always, there will be numerous activities for everyone. The festival is family-friendly and everyone is invited.

The Bellbrook Lions Club Festival will be held at the former Sugarcreek Elementary School in downtown Bellbrook. All proceeds from the festival return to the community in the form of local projects, scholarships, or other donations the Lions Club makes throughout the year.

Amusement rides will be available all three nights with an armband special to allow continuous riding for the evening. Full dinners are available each evening with other meal items available at Lions food trailers. The annual raffle will be a cash prize of \$10,000, \$500, and \$250, so buy your tickets from a Bellbrook Lion for your chance at these prizes. If you have not attended the Lions' Festival before, please consider coming this year to support the Bellbrook Lions Club. Help the Lions, Help the Blind.

Parking will be available on South Main Street/Waynesville Road. For more information, visit the Bellbrook Lions website at www.bellbrooklions.org.

Winters-Bellbrook Library

Greene County Public Library is pleased to announce two new online resources to keep you learning and growing!

Learn a new skill online, on your own time, at your own pace!

Lynda.com offers thousands of online courses in Business, Creative and Technology skills such as 3D, Animation, Audio, Leadership, Management, Marketing, Design, Microsoft Office, Music, Home Computing, Photography, Video, Web Design, and more.

ArtistWorks provides world-class instruction through self-paced video lessons from Grammy Award-winning music and artistic professionals including music and art lessons for vocals, drawing, and instruments including guitar, harmonica, piano, percussion, and more.

These and many other valuable resources are free and always available with your library card through the library's website at www.greenelibrary.info. Discover. Learn. Grow!

Greene County
Public Library

Bellbrook Sugarcreek Chamber of Commerce

New Bellbrook-Sugarcreek Area Maps are available at the Chamber office at 41 West Franklin Street. Community Directories, Greene County information, and additional local brochures are also available. Call the Chamber office at (937) 848-4930 to request your copy today. Remember that Chamber membership provides many benefits and discounts. Join today at www.bellbrookcreekchamber.com.

The Chamber is holding its 25th Annual Golf Outing at Sugar Valley Golf Club on August 25 at 1 pm. Cost is \$90 per golfer and sponsorships are available. For more information or to register, go to the Chamber's website.

The Chamber is selling commemorative Bellbrook Bicentennial stainless steel mugs with copper glaze for \$20. Go to

www.bellbrook200.com for additional Bicentennial information.

The Chamber is also helping to promote the Presidential Debate at Wright State University on September 26. Go to www.wright.edu/debate for more information.

Pictured above from left to right: Royce Cross, Jacob Kowal, Dan Yokajty, and Jack McCrae

Eagle Scouts Honored

Bellbrook Boy Scout Troop 375 congratulates Jacob Kowal and Dan Yokajty on achieving the rank of Eagle Scout. Jacob's Eagle Project was building and repairing therapy equipment for a Beavercreek preschool. Dan's Eagle Project was building new bluebird houses and repairing old birdhouses in area parks. Their court of honor ceremony was held on April 17.

Pictured above: the Bellbrook Historical Museum located on North Main Street

Bellbrook Sugarcreek Park District

The Bellbrook Sugarcreek Park District offers programs designed for all ages at all eight local parks. Online registration for programs and shelter rentals is available. The Park District fall newsletter will be arriving in your mailbox the first week of August with more information about upcoming programs. Be sure to check out the new trails at Sweet Arrow Reserve at 789 Little Sugarcreek Road, Dayton, Ohio 45440. For more information, visit the Bellbrook Sugarcreek Park District's website at www.bellbrookcreeksugarcreekparks.org.

Bellbrook Historical Museum

The Bellbrook Historical Museum Trustees would like to thank everyone who visited us during the Sugar Maple Festival and purchased raffle tickets for a beautiful painting by local artist, Donna Gibson, and a book titled "Ohio Then & Now" donated by Becky & Art Neff. Thanks to all for your generous support! Becky Neff won the painting and Libby Stanton won the book!

Pictured above: A hand-carved bench by Della Hopkins Knox on display

In May, the museum hosted their annual Third Grade Tours. This is an annual event and is an opportunity for students to learn about Bellbrook history. You can visit the museum on Wednesdays from 10 am to 2 pm or Saturdays from 12 pm to 4 pm. You can contact the Bellbrook Historical Museum at (937) 848-2415. The museum accepts monetary and artifact donations to help further the mission of the museum.

The fall exhibit will feature Della Hopkins Knox and all of her fine artistic pieces that we are so fortunate to have in the museum. We will display the museum's first restoration, "Portrait of a Young Girl," and the black walnut bench she lovingly carved in 1900 with just a pocketknife.

Bellbrook Garden Club

The Bellbrook Garden Club wants to thank the community for supporting the annual Plant Sale. There was a great variety of plants at very reasonable prices. Because they were shared from member's gardens, they will flourish in this area. The profits fund scholarships and activities with the various Bellbrook-Sugarcreek schools.

This spring, the Club also contributed to the Reading Garden at Bell Creek Intermediate. The students of Libby Stanton's class planned the garden, and school officials hope to expand it in the future. Thanks to Bernie Stephens for organizing a worm bin compost project with the Second Grade at Stephen Bell Elementary. Twenty members helped the students create their own bin to take home.

Additionally, we have again beautified the downtown. Club members take turns to maintain the various pots, the landscaping at the library, and the gardens behind the museum.

Several of our members also earned ribbons at the annual Trinity Flower Show. Mary Lou Boudinot and Carol McNabb placed second in different artistic categories, while Barb Miller won the horticulture division. Mary Lou also took Best of Show with a beautiful terrarium.

Members always encourage people to join the Garden Club. Check out their website at www.bellbrookgardenclub.org or email the Club at bellbrookgardenclub@gmail.com. The Club meets the fourth Wednesday of each month.

City Council Updates

Highview Terrace Preliminary Plan

In May, City Council approved a change to the Preliminary Plan for the Highview Terrace subdivision. The change includes decreasing the number of lots, reconfiguring some lots, regrading the detention basin for stormwater purposes and other items.

Prosecution Services

City Council approved an agreement with the City of Xenia to provide prosecution services on behalf of the city in Xenia Municipal Court. Prior to this agreement, the city contracted directly with the prosecutor.

Tax Budget

In July, Council approved the annual tax budget ordinance. The tax budget is a financial plan for the operations of the next calendar year. The budget is submitted to the county budget commission and used to fix property tax rates. This is not the final budget that Council approves for the following fiscal year.

Annual Wage Increase

Following Council approval in July, City employees not covered by a collective bargaining agreement, received a 2% wage increase effective August 1. This wage increase was included in the 2016 budget.

Definition of Kennel

In July, City Council approved a revision to the Zoning Code to remove "training" from the definition of a dog kennel. The Planning Board recommended this change at their June 22 meeting.

Municipal Code

In July, Council approved the removal of certain sections of the General Offenses Code which are duplicates of the Ohio Revised Code.

LED Streetlights

City streets will be looking a little brighter at night thanks to new, street LED lights. The city contracts with Miami Valley Lighting LLC to provide and maintain our city's streetlights. City Council approved an agreement with MVL to upgrade our streetlights to new LED technology. This upgrade will save in electric costs and the lights will last longer with fewer outages. Contractors have already begun replacing the lights and will replace all 90 lights in 2016.

New City Website

The city launched a new website in April. The site incorporates our new city logo and provides easier access for residents to find city services and other local information. If you have not visited the new site, please take a moment and look around. We have included links and information on services provided by Greene County and other local community organizations.

City Council

The legislative and policy-making body of the City is comprised of a Mayor and six council members elected at large on a non-partisan basis. The Council hires a professional City Manager who operates the city on a day-to-day basis.

Council Vacancy Jon Martin submitted his resignation to City Council. Council advertised for the opening in July with resumes due by July 29. City Council will be conducting interviews and appoint a new Council Member to fill the term which expires in 2019.

Council Meetings The Bellbrook City Council invites you to attend its regular meetings on the 2nd and 4th Mondays of each month. Meetings begin at 7 pm.

For more information about City Council, past meetings and current issues, call the Clerk of Council at (937) 848-4666 or visit our website at www.cityofbellbrook.org.

Mike Schweller, Deputy Mayor	Forrest Greenwood	Dona Seger-Lawson

The Works

Water Tower Repainting The contractor has begun repainting the Upper Bellbrook Road water tower. This project includes making repairs to the structure, painting the inside of the tower, and painting the exterior of the tower to include the new city logo.

Pictured above: Contractors repainting the Upper Bellbrook Road water tower

Plantation Trail Culvert The culvert on Plantation Trail between Hillcrest Drive and Bellemeade Drive will be replaced beginning in August. The timeline for this project is yet to be determined. This section of the road will be closed during construction.

2016 Paving Program The streets included in the 2016 Paving Program are Amy Brook Circle, East Sudbury Court, North Linda Drive (from North Belleview Drive to Sugar Run Trail), North Sheffield Drive, Shadowleaf Drive, Sugar Run Trail, and Sugarwood Circle. The paving should be complete by mid-August.

Fire Hydrant Repainting The Service Department is currently in the process of repainting all 600+ fire hydrants on the city's water system. The project will probably continue into 2017.

Traffic Control Signs All traffic control signs in the city have been upgraded to the new prismatic style to meet new regulations. These signs provide better visibility in low light and for nighttime driving.

The Policeman's Badge

Police Department Awards Two Bellbrook Police Officers were given department awards at the Bellbrook City Council meeting on Monday, May 23. Police Chief Doug Doherty presented the Officer of the Year Award to Officer Nick Davis and the Community Policing Award to Officer Tony Ruble.

The Fred B. Caton Officer of the Year Award is given to an officer who has excelled in his or her duties during the previous year. Promoted from part-time to full-time in May 2014, Nick Davis is the most active and proactive officer in the department. Officer Davis works during the busiest shift of the day, from 4 pm to 12 midnight. In 2015, Officer Davis led the department in OVI (operating a vehicle impaired) arrests, citations, drug violation arrests and DUS (driving under suspension) citations. In September, Officer Davis located and arrested a suspect wanted in another jurisdiction. In addition, Officer Davis was one of several recipients of the Miami Valley's Top Cop Award.

The Community Policing Award is given to an officer who has a strong impact on the Bellbrook community. Officer Tony Ruble has served the Bellbrook Police Department for 14 years. Not only does Tony care about citizens during his regular work hours, but his community involvement continues during his time off. Officer Ruble spends time helping residents and neighbors with their properties and during school days, Officer Ruble can be seen in Stephen Bell Elementary School where the staff and students enjoy his presence.

Neighborhood Walks During the spring, Police Department staff walked a number of neighborhoods to allow residents the opportunity to meet them where they live. The command staff and members of the Police Department welcome residents and business owners to share their thoughts and concerns about the safety and security of our community. The leadership of the Bellbrook Police Department remains committed to serving and providing Bellbrook residents with the best customer service. The department will continue the walks in September. See the chart below for neighborhood walk dates.

Date	Area of the City
September 8	South Central
September 15	South Central
September 29	West
October 6	West

Watch Your Speed on Local Streets

Please watch your speed on local streets as the city regularly receives complaints about speeding on local streets. Please be mindful of your neighbors and especially children. School will be starting soon and kids will be walking to the bus in the mornings and afternoons. The city has speed boards to help notify people of their speed. In addition, the Police Department is active in enforcing speed. Please be mindful and slow down.

Plan Ahead for Severe Storms and Power Outages

Power outages can be caused by a number of reasons. The most common reason for outages is falling tree limbs according to Dayton Power & Light (DP&L). Property owners can help prevent some outages by removing dead or diseased trees in your yard.

- **Keep in Touch.** Update DP&L at (800) 433-8500 of any changes in your contact information so they can reach you quickly
- **Update your Storm Kit.** A storm kit can contain food, water, a battery-operated radio, flashlights, first aid kit, cash, and other needs specific to you and your family.
- **Unplug Electronics.** Installing surge protectors may also help protect expensive electronics from damage during a storm.
- **Report Outages.** Call DP&L at (877) 468-8243 or go to www.dpandl.com/outage.
- **Be Safe.** Assume any downed line is live. Keep children and pets away.

Pictured above left to right: Officers Nick Davis and Tony Ruble

Water Updates

Fire Hydrant Flushing The Service Department will be flushing hydrants during the week of October 10-14. Flushing is done each year to inspect the hydrants and water system for proper operation. Between the hours of 8:30 am and 3:30 pm, avoid doing laundry and set water softeners to bypass. For more information, call the Utility Billing office at (937) 848-4638.

Water Meter Replacement Program

The water meter replacement program is complete. The program involved either upgrading meters or replacing older meters. The upgrade consists of a low frequency radio transmitter which allows Service Department employees to remotely read the meters from a vehicle on the street. This system has decreased meter reading time and provides more accurate readings.

Utility Billing Office For questions regarding your water or waste collection service, please contact the Utility Billing office at (937) 848-4638.

The Utility Billing office is located on the first floor of the Administration building at 15 East Franklin Street. A payment drop box is located at the front entrance to the building. Office hours are Monday through Friday from 8:30 am to 4:30 pm.

Holidays

The City of Bellbrook non-emergency services will be closed Monday, September 5, in observance of Labor Day; Friday, November 11, in observance of Veteran's Day; Thursday, November 24, and Friday November 25, in observance of Thanksgiving.

Special Collection

One Saturday each month, Greene County Environmental Services holds a special collection for recyclables that are not picked up by Rumpke. Below is a list of accepted items. Please note this is not an exhaustive list. If you have any questions, please contact Environmental Services.

- Household Hazardous Waste
- Large Household Appliances
- Scrap Metal

2016 Dates for Special Collections

- August 23
- September 20
- October 18
- November 15
- December 20

Yard Waste Collection

Residents do have options to dispose of yard waste. First, Rumpke does collect yard waste as outlined above. Second, residents may dispose of yard waste at three private recyclers and two Greene County facilities.

Private Recyclers

Tom's Mulch
2113 Ferry Road, Bellbrook
(937) 848-3422

Bellbrook's Streams

Our streams flow through our community from our neighbors located upstream. Since we all live downstream from someone, it is up to all of us to make clean and clear choices to keep our water clean.

In neighborhoods, stormwater runoff picks up pollutants from motor oil, lawn chemicals, pet waste, salt and litter along the way, before flowing directly into streams and rivers untreated.

- In your neighborhood, keep streams clean and storm drains clear. Do not throw leaves, grass, branches, gas, oil, fertilizer or other hazardous wastes in or near streams or storm drains
- Pick up pet wastes promptly and dispose of properly
- Limit the use of fertilizers and pesticides
- Wash your car in the grass so wash water will infiltrate into the ground rather than run off into the road.

Waste, Recycling & Yard Waste Disposal

Waste Collection Holidays Waste and recycling collection will be delayed one day due to the Labor Day and Thanksgiving Day holidays. Waste and recycling collection will take place on **Saturday, September 10** and **Saturday, November 26** for those weeks.

City Recycling Program The City has a weekly recycling program. Special items are recycled by Greene County Environmental Services who can be contacted at (937) 562-5925. For more information on the recycling program, call the Utility Billing office at (937) 848-4638.

Bulk Pick-up Large items may be picked up by Rumpke on Fridays. However, you must call ahead and schedule with Rumpke at (800) 223-3960.

Yard Waste The City does not have leaf or yard waste collection service. However, residents may dispose of yard waste with regular trash collection. Rumpke will collect brush in bags or tied in bundles no larger than four feet long and two feet wide. Brown paper yard waste bags are not required by Rumpke.

For more information, visit our website at www.cityofbellbrook.org.

Storm Drain Dumping & Stream Pollution

Lawn Care Don't overwater your lawn. Consider using a soaker hose instead of a sprinkler. Excess fertilizers and pesticides applied to lawns and gardens wash off and pollute streams. Use pesticides and fertilizers sparingly. When use is necessary, use these chemicals in the recommended amounts.

Automobiles Use a commercial car wash that treats or recycles its wastewater, or wash your car on your yard so the water infiltrates into the ground. Repair leaks and dispose of used auto fluids and batteries at designated drop-off or recycling locations.

Pet Waste Pet waste can be a major source of bacteria and excess nutrients in local waters. When walking your pet, remember to pick up the waste and dispose of it properly.

Report Suspected Illegal Discharges To report a suspected illegal dumping down a storm drain, call the Bellbrook Service Department at (937) 848-8415 Monday-Friday 7:30 am to 4:00 pm. For after-hours complaints, call (937) 848-8484.

Make Clean and Clear Choices Today!

The Fire Escape

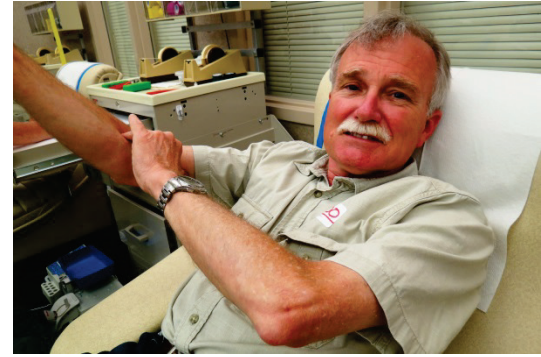

Retired Bellbrook Firefighter Makes Milestone 100th Blood Donation

Bellbrook donor, Bill Beeman, has helped save lives by rolling on emergency runs and rolling up his sleeve to donate. On June 16, he made his milestone 100th lifetime donation at the Dayton Community Blood Center.

Bill grew up in the Miami Valley and worked at Wright Patterson Air Force Base in the Air Force Research Lab. He retired after a 33-year career. Bill is also retired from the Bellbrook Fire Department working as a part-time firefighter and paramedic. Bill continues his work for the city by coordinating the department's blood drives and teaching CPR and First Aid Classes.

His work in emergency services led to serving on the Greene County Board of Health, where he is devoted to helping the county be prepared for public health crises. Bill also volunteers with Boy Scout Troop 75 in Beavercreek.

Bill believes being prepared for emergencies includes having the necessary blood supply on hand, and that motivates him to keep donating. "I enjoy doing it," he said. "You know you're helping other folks. You get that phone call a couple of weeks later telling you your blood was used on a certain date at a certain hospital. It really proves that yes, the blood is being used and really affects other peoples' lives."

Pictured above: Bill Beeman at the Community Blood Center

Pictured above: Students with Sparky the mascot during Fire Prevention Week 2015

Open House The Bellbrook Fire Department would like to invite the entire community to join us at our annual Bellbrook Fire Department Open House on Tuesday, October 11, from 6:00 to 9:00 pm.

This collaborative event will be held at Bellbrook Fire Station #2, 4254 West Franklin Street. The whole family is encouraged to visit your fire department and view the various fire, emergency medical displays, and safety presentations. This is a great opportunity for you to meet the fire department members who find it rewarding to voluntarily serve our community. Those residents interested in being part of our exciting fire and emergency medical service team can obtain application information at the event.

Your Bellbrook Fire Department The mission of the Bellbrook Fire Department is to enhance the quality of life in our city and to provide a healthy and safe environment. This is accomplished through the cultivation of community partnerships and promoting progressive public education and awareness.

Smoke Alarms This spring, the Bellbrook Fire Department randomly selected homes in each area of the city to check for working smoke alarms. The firefighters knocked on doors and left door hangers if residents were not home. The department inspected 582 alarms and found that 28.5% of these alarms did not work. Of these alarms, 16% were not operating because of batteries or missing batteries. Overall, 21% of homes did not have a working smoke alarm.

According to NFPA statistics, having a working smoke alarm in the home reduces the risk of dying in a fire by 50%. On average each year, the absence of working smoke alarms account for 60% of home fire deaths. In nearly one-quarter of these home fire deaths, smoke alarms were present but did not sound. The NFPA recommends that you install smoke alarms in every bedroom, outside each sleeping area and on every level of your home. The NFPA also recommends testing smoke alarms every month and replacing all smoke alarms every 10 years. When a smoke alarm sounds, get outside and stay outside.

If you would like to have your alarm checked or to have your home inspected for how many alarms you need, please call the Bellbrook Fire Department at (937) 848-3272.

A banner for Fire Prevention Week. On the left is the cartoon dog Sparky in a firefighter's uniform. The text reads "Don't Wait CHECK the date!" with "CHECK" in a large red arrow. To the right is a smoke alarm with a date stamp "2016-09-15". Further right, it says "REPLACE SMOKE ALARMS EVERY 10 YEARS" and "FIRE PREVENTION WEEK OCTOBER 9-15, 2016" with the website "firepreventionweek.org".

Bellbrook Business Spotlight

Bellbrook Golf Park: Come Out and Play

Open for its 19th season, the Bellbrook Golf Park is easily accessible and a great place to practice your golf game. The Bellbrook Golf Park is a stand-alone range, which uses an automated ball dispenser located in the main entrance to the building. The range includes two putting and chipping greens to practice your short game in addition to the tees where you can use any club in your bag. The range also includes grass tees and turf pads to meet your needs. Discount cards are available where you can get ten buckets for the price of eight. The range offers two sizes of buckets: a large bucket includes 84 balls for \$8 and a small bucket includes 42 balls for \$5.

Craig and Laura Fryman own the Bellbrook Golf Park. Craig and his family have lived in Bellbrook for 57 years. This family owned and operated business is something that Craig and his family have enjoyed operating for the past 19 years. You can find them at the range many evenings and weekends.

Stop by and take a few swings at the Bellbrook Golf Park.

Location

3363 Washington Mill Road
East of downtown Bellbrook at the intersection of East Franklin Street
