The annual paving program was completed last week in the areas of Stephen Bell Elementary and Green Meadow Ranch.

The water tower repainting project is complete. The project finished in a very short period of time. The logo and the eagle on the exterior of the tank are excellent. The interior of the tank has been repainted too and should last another 20 years.

Mr. Schlagheck asked Council if they still wanted to cancel the Council meeting scheduled for Monday, September 26th. Council agreed at the last meeting to cancel this because of the Presidential debate that was to be held at Wright State University. Council agreed not to meet on September 26th.

Lastly, Mr. Schlagheck discussed with Council on how they would like to proceed in the process of filling the vacancy on Council. Mr. Edwards said he has reviewed each resume and would like to see the entire Council interview the candidates. Deputy Mayor Schweller proposed each candidate come before the entire Council.
