ABOUT US

The Bellbrook Museum proudly displays focus on our rich, local history. You will be able to see artifacts and pictures from before the area was settled to modern times. The displays consist of many items that have been donated to the museum from local residents. There is always a new exhibit on display as we rotate them several times a year.

PLANS FOR THE FUTURE

We have worked hard on the inside in recent years painting, making repairs and enhancing the lighting throughout. Our future plans include the further preservation and restoration of the buildings and expansion of the museum experience for the community.

BECOME A PART OF OUR “HOMETOWN HISTORY”

The Bellbrook Museum invites the community to join us in our renovation goals! **Commemorative Bricks** are available for purchasing to help our preservation and renovation needs. For a \$50 donation you will have a personalized, engraved brick placed on the museum grounds. Installation will be made soon after purchase as long as weather conditions permit. Each brick is engraved and painted by the students at Bellbrook High School as part of their STEM program.
