Hi, Thank you for your response about the vacant properties is there a department I can reach out to verify that? Thank you for your cooperation.

Thank you,
Lisa

Thank you for the response also I want to ask "Do you have a list of vacant properties? If so, please send it here".

Thank you,
Lisa

Attached is the file we keep for grass-related violations. If the line is in yellow that means that the Service Department mowed that property's grass and we will then bill them for it.

Thanks,

Hi, I'm sending out a public information request. I would like to know the list of properties that had high weed and grass violations that resulted in you having to take care of the situation and bill the homeowner during 2020.

Please inform me if you need anything further than this email to send it back to me and also if you could tell me how long it should take to receive this request in email.

Thank you,
Lisa
