### ACKNOWLEDGEMENT

I hereby apply for the utility services above. By signing this contract, I agree to give the City access to read any meters associated with the services I will be provided whether they be located inside or outside the premises. I understand that I will be billed quarterly for these services used at the address above at the rates established by City ordinance; that failure to pay on or before the 20th day of the month in which the bill is rendered will result in a delayed payment charge; that a failure to pay within 35 days of the due date can result in the discontinuation of services. I understand that any outstanding charges in my name must be brought current before any new service will be restarted.
